## Education

---

### Kakatiya Degree College

*Bachelor of Science (MPCS)*

2020-2023

### Kakatiya Junior College

*Intermediate MPC*

2018-2020

### Wisdom High School

*Secondary School Certificate SSC*

2018

## Career Objective

---

Highly motivated and creative Bachelor of Science graduate with a strong passion for developing user-centric web applications. Seeking a challenging Junior Web Developer position within a dynamic and innovative organization where I can leverage my proficiency in Java, HTML, CSS and modern JavaScript and React js frameworks to contribute to the development of engaging and efficient web solutions, and further expand my skills in a collaborative team environment.

## Projects

---

### A bus reservation project | *HTML ,CSS, Java Script,Node.js, MySQL*

- Objective : To develop a system that allows bus operators to manage their bus schedules, fares, and seat availability in real-time.
- **Features Implemented:** Users can search for buses by route, date, and time, and book seats online. Users can select specific seats while booking .
- Integrated payment gateway for secure online transactions. Users can view their past bookings and cancellations .
- Generate reports on booking statistics, revenue, and user activity. Automated notifications for booking confirmations, cancellations, and payment receipts. Administrators can manage bus schedules, bookings, and user accounts .

### Ticket Price Calculator App | *Java*

- Created a Linux virtual machine to run on Google Cloud so that the program is able to run everyday from the cloud.
- Processed user inputted information in the back-end of the app to return a subtotal price based on the tickets selected.
- Utilized the layout editor to create a UI for the application in order to allow different scenes to interact with each other.

## Technical Skills

---

**Languages:** Java, Spring Boot, Microservices, HTML,CSS, JavaScript, React js

**Developer Tools:** VS Code, Eclipse

## Strengths

---

- Confident and determined
- Quick learner and adaptable to new technologies.
- Good communication and teamwork abilities. .
